

WINE LIST

The Turbine's wines are mostly from smaller, family-owned wineries, and selected by our experienced food and beverage team. We strive to ensure that our wine-list showcases a few more 'local' wines from the Garden Route, Klein Karoo and nearby coastal wineries. Our wine list is also ever changing as we are continuously sourcing new and exciting wines to showcase.

We believe in offering both quality and value, and each wine on our list is here because it deserves a place.
